

3.5.2 Records showcasing faculty outreach outside the institution through consultancy / training etc. across the key areas of expertise

One of the outreach programs of UoP is visit to Patanjali's own Patanjali Food Park and its outreach net work partners by the students and staff of the university during the last 5 years

1. A large FMCG and FMHG focused conglomerate, Patanjali Foods has a diversified portfolio of quality products that are crafted to serve goodness to Indians on a platter, and to nurture their well-being. Its brand proposition is driven by its manufacturing excellence and a strong distribution net work
2. During the last 5 years from 2017-22, out teaching faculty visited many educational institutes across the country and delivered yoga lectures and consultancy programs. These are free consultancy programs.
