Policy on Organizing Extra-curricular Activities Round the Year

The University of Patanjali (UoP) believes in the holistic development of its students for a healthy body, mind and spirit. The education model being followed at the UoP does not focus on imparting degrees but on imparting various skillsets to prepare the student for future challenges. Various extra-curricular activities are organized at the UoP round the year that helps to develop various life-skills in students, such as team work, leadership, social skills, management, sportsmanship and others. Such extra-curricular activities promote intellectual growth as well as competition, excellence, high standards, creativity, and excitement. These activities form an integral part of the academic calendar. The UoP offers several opportunities through many organisations, clubs, and cells to encourage holistic learning.

Policy and regulation

The co-curricular and extracurricular activities are governed by the rules governing choice-based credit system (CBCS). Every student must enrol in one of the specified co-curricular or extracurricular organisations taking place in the UoP.

Functioning

- Each association/committee/club is assigned a faculty convenor.
- Student secretaries are nominated or elected by the faculty-in-charge.
- The specific day is fixed by the faculty convenor and student secretary for conducting meetings and programmes after regular class hours.
- At the beginning of the semester, a plan of action needs to be prepared and brought to the notice of the Hon'ble Vice Chancellor.
- The conveners must adhere to the general guidelines and directives issued by the IQAC for conducting the activity, its documentation and reimbursement of expenses.
- Besides routine association activities, members of the association must plan to undertake need based extension activities and outreach activities.
- Besides skill-based activities, associations should plan for a certificate programme that focuses on employability, entrepreneurship capacity building and life skills.
- The association's activities should be carried out in such a way that they cause the least disruption to academics.
- All the activities planned and executed must be supplemented with programme objectives and learning objectives.

Evaluation

As per the CBCS guidelines of the UoP, each student's performance shall be evaluated based on the following parameters:

1. Attendance
2. Participation
3. Representing
4. Success in the competition

On finalising the marks, they shall be entered into the final statement of assessment, certified by the faculty-in-charge and brought to the notice of the student.
