- To promote measures for institutional functioning towards **quality enhancement** through **internalization (vkarfjddj.k)** of quality **culture** and **institutionalization (laLFkkxrdj.k)** of best practices.

VISION AND MISSION OF IQAC

As per University of Patanjali

STRENGTH, WEAKNESS, OPPORTUNITY AND CHALLENGES (SWOC)

Institutional Strength

- University of Patanjali is a Private University in state of Uttarakhand under its own trust with **2(f) and 3(1)(iii)5 status**.
- **Eco-friendly and green campus.**
- Yoga Halls, several vast *Yajyashala* have been constructed almost in every complex of Patanjali Yogpeeth including UOP, to make teaching, non-teaching staff members, students and visitors aware about Yoga & Yajya to inculcate interest among them towards traditional Vedic culture through Yoga, *YAJYA* & meditation etc.
- **UOP has a well furnished, air conditioned and acoustically perfect auditorium with a capacity of more than 2000 persons to carry out various functions of the University.**
- **Value added courses, industrial visit, study tours and field training programs** are held to enrich knowledge base of students.
- A good number of accommodation facilities inside the campus for faculty & staff members and officers of the University.

- Separate boys and girls hostel facilities inside the campus.
- Transparent management and examination system.
- **A responsive and decentralized administration** of the University.
- **Innovative academic programs and excellent extension activities.**
- Establishment of a well Training & Placement Cell for providing placement and training support to students.
- Industry focused personality development and soft skills programs for students.
- Programs for slow learners are held effectively to transform them into main stream of highly competent learners.
- Well qualified and experienced faculty members.
- Various cultural, sports and academic clubs and committees for holistic development of students.
- University supports female staff& students in term of finance and other basic facilities to make them independent and hence promotes women empowerment.
- **Excellent library, Updated Laboratories, Workshops; ICT enabled and Air Conditioned Class rooms.**
- Faculty members are provided seed money to participate in Workshops, Seminars and, Training programs etc.
- Use of MOOCs/SWAYAM/LMS and other latest learning management tools have been augmented for quality teaching.
- **A very good setup having convergence of Yoga and Ayurveda facilities not only for the students but also for the patients, where students can carryover their research/dissertation and a service to the patients.**

• **INSTITUTIONAL OPPORTUNITY**

- To develop **collaboration with Global Top Universities** and offer students more options of studying abroad and host more foreign students as a part of exchange program.
- To encourage students for entrepreneurial initiatives and faculty to work for innovation and file more patents
- **To give more and more emphasis on Earn while Learn mechanism**
- Employment generation through entrepreneurship.
- Expansion of research opportunities for post graduate students in various subjects in the departments recognized as centre of excellence such as in Yoga and Ayurveda.
- To encourage faculty members and students for Inter-disciplinary research projects and enhance collaboration skills among them.
- A more chance for faculty members and post graduate students to bring projects from funding bodies to enhance research activities and development of infrastructure.
- **Expansion of University-Society interface for sustainable development.**
- Scope to establish specialized departments and programmes to cater the needs of the respective core industries nationally and globally.
- **Update the Faculty and students to face the coming challenges due to insurgence of New Education Policy.**
- Scope for tie-ups with government bodies, NGOs, and corporate enterprises to promote industry academia interface and enhance learning.

INSTITUTIONAL CHALLENGES

- To cater the **growing demands of the industry and society** for latest **professional and technical skill** sets.
- Be aware about the **need of local rural community** and **demand of students for national and global competition.**
- To take the university **at par with the Global Educational Institutions** in teaching and learning processes **insurgence of New Education Policy.**
- To handle the problem of **brain drain** particularly for **students and youths of Uttarakhand.**

IQAC HAS EVOLVED MECHANISMS AND PROCEDURES FOR

- Ensuring **timely, efficient and progressive** performance of academic, administrative and financial tasks;
- **Relevance and quality** of **academic and research programmes**;
- Optimization and integration of **modern methods of teaching and learning**;
- **Credibility** of **evaluation procedures**;
- Ensuring the **adequacy, maintenance and proper allocation** of support structure and services;
- Sharing of **research findings and networking** with other institutions in India and abroad.
