**Subject:** Permission letter for allowing students to go into the Patanjali Wellness Center to prepare a **case study**

**Respected Didiji,**

I am writing this letter to grant permission for final-year students, **MA in Psychology**, at our prestigious clinical institution, Patanjali Wellness Center, to prepare a case study (**MPs-CP-307**) as part of their academic requirements.

The case study will focus on neurosis or psychosomatic disorders and will involve interviews and psychological testing methods. The case study is an essential component for final-year students [**MPs-CP-307, MA in Psychology**] and will significantly contribute to their learning experience and academic development.

It will be conducted with the utmost professionalism and respect for any sensitive information involved.

Hence, I request that you please grant your permission and support in this academic endeavor. The program schedule is enclosed on the next page.

Sincerely,

Dr. Vaishali Gaur,
